Help To Make WoundedWarHeroes.Org Website More Accessible...

We are trying to make this website as accessible as it can be for all of our visitors. If you have any problems accessing information on this website, please let us know. We welcome your feedback and suggestions. Please contact our webmaster at Webmaster@WoundedWarHeroes.Org We welcome your help making this website better for everyone!

This site has been built to comply with web standards guidelines. As such, it is best viewed in a modern standards-compliant browser such as Mozilla Firefox. The recommended resolution for viewing this site in visual browsers is 1024 x 768 pixels at 32bit (millions) color.

We have built a standards-based website in part to make it as accessible as possible. Our website uses CMS, XHTML, XML, HTML⁵ and CSS. We have followed the W³C's Web Content Accessibility Guidelines in the creation of the website and web content. This website is also in compliance with US government usability standards (see <http://www.usability.gov> for additional information). We have also consulted with accessibility experts at IU's Adaptive Technology Center and with Bloomington's Council for Community Accessibility in the development of this website.

If you have any concerns or questions, please use contact details as found on this website. Thank you for taking the time to read WoundedWarHeroes.Org's Internet Website Accessibility Compliance Policy.

Thank You, Webmaster@WoundedWarHeroes.Org
