

Wounded War Heroes

Here are the directions from the east: Go down I-49 to Mansfield exit and take 84 West. Continue through Logansport Louisiana, go over bridge (Sabine River) and continue straight onto Highway 7 to Center Texas (84 goes right). If you drive by the Joaquin High School you went the wrong way! Continue down Highway 7 & turn left at FM 2608, if you pass the James Store on left you missed the turn. Go straight and take first left on to CR 3215, continue to end of road and go straight through gate. Arrive at "hunting camp".
